

A Clean Two-Column Article Template

Your Name

Your Department, University

May 20, 2026

Abstract

This is your abstract section. It spans across both columns at the top of the page, giving it a professional journal appearance. Keep it brief and to the point.

1 Introduction

Your two-column text starts directly here. LuaLaTeX will automatically handle hyphenation and spacing perfectly.

2 Methodology

You can use standard math formulas like $E = mc^2$ cleanly.
